Mission Statement

Every Child a Success!

Superintendent's Highlights

Dr. William "Rob" Roberts, was recognized by eSchoolNews as one of ten superintendents as a "Tech-Savvy Superintendent for his outstanding leadership and vision in the area of educational technology. Enrollment this year increased to more than 6,150 students dispersed over 18,000 square miles in seven diverse communities.

Nye County School District is addressing the needs of our gifted and talented students in Pahrump with two pilot programs. A hands-on science lab was set up at J. G. Johnson Elementary School. This lab was utilized by fourth and fifth grade students from all four elementary school. At the middle and high school level, teachers are being trained to teach pre-AP and AP classes. A team of eight teachers will attend the national AP conference in Orlando, FL. The team of high school teachers will also attend the Silver State AP conference this summer.

Nye County School District is proud of the achievement of Tonopah Middle School and Tonopah High School, which were both designated as High Achieving for the 2004-2005 school year. In addition, Beatty High School received a designation of High Achieving for an increase in the number of proficient students.

Goals and Objectives

'N/A' indicates that no diplomas of this type were issued.

* Adult diplomas issued to 12th grade students enrolled in a program of alternative education are included in these figures.

+ Certificates of Attendance are given to students who did not receive a diploma only because they did not pass the Nevada High School Proficiency Exam.

Nevada System of Higher Education (NSHE) (Fall 2005)

Students enrolled in remedial courses within the Nevada System of Higher Education (NSHE) do not reflect all graduates. Some graduates do not attend college or they attend college out of state.

District Communication Efforts

Parent communication and parent involvement are keys to student success. Open houses and parent conferences are held by all schools and regular written reports of progress are sent to parents. Our larger schools feature such communication tools as homework hotlines and a phonemaster system which relays information about absences and school events. The district maintains a continuously updated website as do our individual schools. Parent advisory committees and school improvement teams with parent membership ensure open lines of communication and parental input. Many schools regularly publish newsletters containing articles written by the students.

Adequate Yearly Progress (AYP)

Complete information on Adequate Yearly Progress is available on the "No Child Left Behind" page of the Nevada Department of Education website: www.doe.nv.gov/nclb.

The AYP data contained in this report may not reflect final decisions relative to the school's performance in the Nevada AYP accountability system. For the most current information regarding the 2005-2006 AYP results, please visit the Nevada Department of Education's website at www.doe.nv.gov/ayp.

Summary of Standards-Based Test Performance

Nevada used criterion referenced tests (CRTs) and the High School Proficiency Exam (HSPE) to measure student achievement relative to Nevada's academic standards. Data in these tables are a compilation of test results for grades represented at the school, district, or state and may not represent the figures that were used to determine Adequate Yearly Progress. For more detailed information and other assessment information, refer to www.nevadareportcard.com.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the Approaches Standards range of achievement

MS = Percentage of students performing in the Meets Standards range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)
